- ✓ **Academic Eligibility** – 20 credits marking period prior to season – **NO FAILURES**

What determines eligibility for athletics at MHS?

1. **Academic Eligibility:** It is determined when report cards are issued to all students. At that time, a student must be passing all classes. If a student has one failure, they are ineligible. For the Fall season, a student's first term grades determine eligibility for the winter season. Academics **must** be a priority.
2. **Proof of Physical:** From MIAA Handbook of Regulations: All students must pass a physical exam **within thirteen months of the start of each season and present written proof of the exam**. Students who meet the criteria at the start of the season will remain eligible for that season. A student in violation shall be suspended for the number of contests in which he/she participated without a proper physical. **Scheduling physicals should be planned early.** The school nurse is not available before the opening of school to verify the student's physical. If your record is on file in the nurse's office, you must obtain another copy from your physician for the Athletic Department. Do not assume that the Athletic Department has a copy of the latest physical.
3. **Parent/Guardian Signature:** All Athletic Department Permission Forms must be completed and electronically signed by the parent or guardian using **Arbiter Registration** before a student-athlete is eligible to participate. Forms cannot be signed by neighbors or family/friends.
4. **The User Fee** is an obligation and must be paid or waived. It **covers all sports, clubs, fine arts and activities which have a paid coach or paid advisor**. No student will be denied access into any program due to inability to pay the fee. Fees will be waived for those students that complete the waiver and qualify for the waiver..
5. **Outstanding obligations** at the school such as the return of athletic equipment, uniforms, books, and/or fees must be cleared at the end of the season or full restitution for replacement of goods must be made. When uniforms and/or equipment have been issued to an athlete, it becomes the responsibility of the athlete to care for it.

Sport Start Dates 2025-2026

- ✓ **Fall – 8/18/25** (Football and Golf start on 8/15/25)
- ✓ **Winter – 12/1/25**
