# Home Language Survey

Massachusetts Department of Elementary and Secondary Education regulations require that *all* schools determine the language(s) spoken in each student's home in order to identify their specific language needs. This information is essential in order for schools to provide meaningful instruction for all students. If a language other than English is spoken in the home, the District is required to do further assessment of your child. Please help us meet this important requirement by answering the following questions. Thank you for your assistance.

## Medical Requirements for School Admission to Preschool.

**Medical Examination:** It is required that all children have a complete physical examination by their health care provider prior to school admission.

**Immunizations:** The Massachusetts Department of Public Health in collaboration with the Department of Education has determined that these are the required immunizations for school entry.

**Please make sure to provide physician documentation of the following immunizations and test:**

Hib	<b>1-4 doses;</b> the number of doses is determined by vaccine product and age the series begins
DTaP	<b>4 doses</b>
Polio	<b>3 doses</b>
Hepatitis B	<b>3 doses;</b> laboratory evidence of immunity acceptable
MMR	<b>1 dose;</b> must be given on or after the 1 <sup>st</sup> birthday; laboratory evidence of immunity
Varicella	<b>1 dose;</b> must be given on or after the 1 <sup>st</sup> birthday; a reliable history of chickenpox* or laboratory evidence of immunity acceptable

### Definition of Allowable Exemptions:

There are two situations in which children who are not appropriately immunized may be admitted to school:

- 1) A **medical exemption** is allowed if a physician submits documentation attesting that an immunization is medically contraindicated; and
- 2) A **religious exemption** is allowed if a parent or guardian submits a written statement that immunizations conflict with their sincere religious beliefs.

The law states that medical and religious exemptions must be presented at the beginning of each school year.

*The Marblehead Public Schools do not discriminate on the basis of race, color, sex, religion, national origin, sexual orientation, age or disability.*
