Step 2: Assess Performance on Standards (Complete pages 4–7 first; then check one box for each Standard.)

Unsatisfactory = Performance on a standard or overall has not significantly improved following a rating of *Needs Improvement*, or performance is consistently below the requirements of a standard or overall and is considered inadequate, or both.

Needs Improvement/Developing = Performance on a standard or overall is below the requirements of a standard or overall but is not considered to be Unsatisfactory at the time. Improvement is necessary and expected.

Proficient = **Proficient practice is understood to be fully satisfactory. This is the rigorous expected level of performance.**

Exemplary = A rating of *Exemplary* indicates that practice significantly exceeds *Proficient* and could serve as a model of practice regionally or statewide.

Dr Buckey has successfully completed the following:

- Leadership and dedication to the district. Dr. Buckey should be commended for this.
- Improvement in transparency of the budget and detail provided to the district this year. The result being that the school budget became the standard that other departments were asked to reach by the Finance Committee.
- A tremendous amount of data has been collected.

Growth areas for Dr. Buckey include the following:

- A point of continued improvement would be to then transition from data to instructional/process/ with measurable outcomes for the district.
- How is data being used to inform practices? How is this data being used to course correct and improve student learning? How are we measuring the success of those practices?
- Improved engagement with critics. Dr. Buckey needs to ensure that he is continues to lead proactively rather than reactively.

Superintendent's Performance Goals - Student Learning Goal

During the 2022-2023 academic year, I will empower and design opportunities for students and educators to build foundational leadership capacity through opportunities for student voice, choice, representation and advocacy. In doing so I will further develop the diversity, equity and inclusion initiative from PfS while stabilizing and advancing the METCO program and increasing equity for all students, with specific focus on students receiving special education.

Superintendent's Performance Goals

Superintendents must identify at least one student learning goal, one professional practice goal, and two to four district improvement goals. Goals should be SMART and aligned to at least one focus Indicator from the Standards for Effective Administrative Leadership.

Goals	Focus Indicator(s)	Description	Did Not Meet	Some Progress	Significant Progress	Met	Exceeded
Student Learning Goal	I-B-3 I-D-2 I-D-4 II-C-2 IV-D-2		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Dr. Buckey was able to successfully perform the following:

- Stabilize the METCO program.
- Successfully incorporated data and analytics to inform performance vs student learning goals.
- Use data to address stakeholders questions in relation to CP1 and CP2, demonstrating student performance after combination.

Growth areas for Dr. Buckey include the following:

- Working to improve outcomes relevant to Special Education, to include engagement.
- Quantifying the impact of any initiative.
- Detailing the data derived from student and community facing initiatives.

The School Committee will ensure that there is additional specificity in next year's goals noting the requirement of details and examples of any successes and their positive impact on our students.

Superintendent's Performance Goals - Professional Practice Goal

Throughout the 22-23 school year, I will continue to build strong relationships with the School Committee and the teachers' union while developing a high-functioning leadership team of district administrators and principals through my continued participation in the New Superintendent Induction Program. I will continue developing skills in strategy & budget development, data analysis, and instructional leadership.

Superintendent's Performance Goals

Superintendents must identify at least one student learning goal, one professional practice goal, and two to four district improvement goals. Goals should be SMART and aligned to at least one focus Indicator from the Standards for Effective Administrative Leadership.

Professional Practice Goal	I-E-1 I-E-2 II-B-2 IV-D-2		<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>

Dr. Buckey was able to successfully perform the following:

- Demonstrated growth in his leadership style with his senior team to include principals and assistant superintendents.
- Improved his relationship with the CBU and securing their support. This was evidenced recently with the presentation on sick leave bank.
- Taken advantage of grants to further his professional development with several regional and national level superintendents' conferences. He should be encouraged to continue to do so.
- Elected by superintendents of other districts on the north shore of MA to chair the Superintendent's Roundtable.

Growth areas for Dr. Buckey include the following:

- Ensuring that next year we have more measurable and quantifiable outcomes as it relates to the students will be paramount.

Superintendent's Performance Goals - District Improvement Goal 1

Using Instructional Rounds during the 2022-2023 academic year, I will collaborate with the leadership team and educators to strengthen instructional practices with a focus on equity and inclusion. This work will include the implementation of targeted interventions and supports for all students, including professional development for educators.

Superintendent's Performance Goals - District Improvement Goal 1

Superintendents must identify at least one student learning goal, one professional practice goal, and two to four district improvement goals. Goals should be SMART and aligned to at least one focus Indicator from the Standards for Effective Administrative Leadership.

Goals	Focus Indicator(s)	Description	Did Not Meet	Some Progress	Significant Progress	Met	Exceeded

Dr. Buckey was able to successfully perform the following:

- Engaged in the buildings and classrooms of MPS to see first hand the efficacy of education in the district.
- While there was a portion of this goal specifically highlighting equity and inclusion, which was an unfunded mandate in FY23, Dr. Buckey and his team appropriately maintained an excellent environment for social and emotional learning within MPS as evidenced by limited or no complaints in this area.

Growth areas for Dr. Buckey include the following:

- Specific and measurable examples of how these rounds positively affect the students.
 - There has been some progress made in providing individualized academic plans to meet students where they are (in their learning journey).
- The committee remains hopeful that this focus will continue with more consistent implementation for all students.

Superintendent's Performance Goals - District Improvement Goal 2

During the 2022-2023 school year, I will work with schools and the community to increase my visibility and enhance two-way communication with all stakeholders. This will be evidenced by an increased understanding of our schools by district parents and community members as measured by varied outreach efforts.

Superintendent's Performance Goals - District Improvement Goal 2

Superintendents must identify at least one student learning goal, one professional practice goal, and two to four district improvement goals. Goals should be SMART and aligned to at least one focus Indicator from the Standards for Effective Administrative Leadership.

Dr. Buckey was able to successfully perform the following:

- Extended effort to expand his community engagement with all stakeholders of MPS. He attends innumerable community meetings, serves on external committees, meets with select board and town administration.
- Pursued ARPA funding, vigorously.
- Developed an FY24 budget that was widely complimented for it's transparency and detail. That should set the standard for the town.

Growth areas for Dr. Buckey include the following:

- Improving engagement with critics.
