

Summer 2024

Dear 4th Grader and Family,

Welcome to 4th grade and Village School! I hope you are having a wonderful summer filled with relaxation and time with family and friends. I'm so excited to be your teacher and I can't wait to meet you!

As fourth graders, we will be learning about the geography of the United States, sharing our thoughts on reading, writing poems and stories, solving challenging math problems, and investigating the world around us. We will become artists, scientists, historians, mathematicians, readers and more! All of us have talents to share with the world and I can't wait to see what you bring to our classroom community.

My favorite part of school is building a classroom community. This year we will enjoy learning about each other, learning from each other, and creating a strong community where everyone feels safe and welcome.

Attached is a list of supplies you will need for the first day of school. I look forward to meeting you soon!

Sincerely,

Mrs. Alves
