

Dear Fifth Grade Students and Families,

Welcome to Halvorsen/ Stockwell/Grohe! We hope you are enjoying your summer and are creating many wonderful memories. We are excited for you to be a part of our Fifth Grade Team, HSG. Mrs. Halvorsen has been teaching at Village School for seventeen years and Mrs. Stockwell and Mrs. Grohe for nine. We're excited for our adventures together in fifth grade and we hope you are too!

Mrs. Halvorsen will be teaching English language arts and social studies. She will be helping fifth graders grow as readers, writers, and historians. Mrs. Stockwell is looking forward to teaching the Illustrative Math curriculum and getting our hands dirty while learning about ecosystems. Mrs. Grohe is our inclusion teacher who will be working with our team to foster inclusive practices and support learners in all areas.

In order to foster our partnership, we would love to hear from you prior to the start of the school year. Please send an email, listing the THREE words that best describe your child. Consider your child's learning style, personality, and talents/hobbies. If you choose to provide a rationale for your word choice, please limit yourself to one sentence per word.

Below is our supply list. We look forward to a fantastic year together!

Fondly,

Fifth Grade Team HSG
