The Marblehead Public Schools does not discriminate in its programs, facilities, employment or educational opportunities on the basis of race, color, age, criminal record (inquiries only), disability, pregnancy, homelessness, sex/gender, gender identity, religion, national origin, ancestry, sexual orientation, genetics or military status, and does not tolerate any form of retaliation, or bias-based intimidation, threat or harassment that demeans individuals' dignity or interferes with their ability to learn or work.

**You may not need to complete the Income section...** If your student has been approved for Free Meals through the State, via the virtual gateway, please check this box  and go to **STEP 2** (you will also skip section 3 and 4). If NOT, please complete STEPS 1 through 5 for the INCOME requirement.

## **STEP 1: Income requirements**

**First, calculate your household's ANNUAL income.** Make sure to include all income sources, including work, public assistance, child support, alimony, pensions, retirement, Social Security, Supplemental Security Income (SSI), unemployment insurance, veteran's benefits, and child income. Use gross income, before any deductions for taxes, insurance, medical expenses, child support, etc.

**Second, identify the total number of people in your household in the table below.** Count all children and adults, related and un-related, that live in your household and share income and expenses.

**Third, follow the arrow from the number of people to the incomes that qualify. If your household income is in the listed range for the number of people in your household, check the box and complete the form.** Your household must meet the income requirements for your household size in order to be identified as low income for school aid purposes. For example, a household with one adult and two children (three total people) and an income of \$40,000 would qualify because their income is between \$0 and \$47,767.

# people in household	If your household income is in this range...	then check this box.
2 →	\$0 - \$37,814 →	<input type="checkbox"/>
3 →	\$0 - \$47,767 →	<input type="checkbox"/>
4 →	\$0 - \$57,720 →	<input type="checkbox"/>
5 →	\$0 - \$67,673 →	<input type="checkbox"/>
6 →	\$0 - \$77,626 →	<input type="checkbox"/>
7 →	\$0 - \$87,579 →	<input type="checkbox"/>
8 →	\$0 - \$97,532 →	<input type="checkbox"/>

***If household income does not fall within the corresponding range based on your household size, your household does NOT qualify, and you should not complete the form.***

If your household has more than 8 people, provide the following information and work with your district or school to determine whether your household qualifies.

NUMBER OF CHILDREN/ADULTS: _____	ANNUAL INCOME: _____
<b>To be completed by the district/school:</b>	<b>Based on federal guidelines, does the household qualify based on size and combined annual income? If so, check this box and provide your initials:</b>  <input type="checkbox"/> <b>Initials:</b> _____
