

Summer 2024

Dear 4<sup>th</sup> Grader and Family,

Welcome to 4th grade and Village School! I hope you are having a wonderful summer filled with relaxation and new adventures. I'm so excited to be your teacher and I can't wait to meet you!

This year we will be exploring the geography of the United States, sharing our thoughts about the books we are reading, writing stories and poems, and solving math problems. We will also be acting, drawing, calculating, experimenting and having lots of fun together. Like many of you, I am better at some of these things than I am at others, but together we will accomplish great things!

My favorite part of school is building a classroom community. This year we will enjoy learning about each other, learning from each other, and creating a strong classroom community where everyone feels safe and welcome.

Attached is a list of supplies you will need for the first day of school. Be sure to check out our classroom website too. I look forward to meeting you soon!

Sincerely,

Miss Welsh
